

Project Intern

Denton, Texas or Lewisville, Texas

Opportunity

AEG is always looking for eager individuals contemplating a future career in land development. Paid internship opportunities are available working directly under a Project Manager by observing, assisting, and bringing projects to completion. Our goal is to introduce you to Civil Engineering through hands-on experience in a team-oriented environment. At AEG, we take seriously our responsibility to mentor you in all aspects of Civil Engineering including commercial, residential, and municipal projects.

A successful applicant will have excellent communication skills and will thrive in a team-focused approach. AEG is seeking to employ people who will help us execute our mission:

AEG is committed to providing high quality services with efficiency and integrity. We foster a thriving environment for our clients and team to flourish. We promote continuous improvement by incorporating the key values of candor, creativity, consideration, dependability, resourcefulness, and tenacity.

Capabilities

- Inquisitive outlook and a growth-oriented mindset
- Teachable, creative, and adaptable
- Express a positive attitude and can adapt to a changing workload and job responsibilities

Requirements

- Desire to learn AutoCAD and other industry-related software
- High school graduate currently enrolled in or considering a Civil Engineering degree program at an ABET accredited institution
- Valid Driver License and reliable transportation
- Comfortable communicating via telephone, email and in person

Compensation and Benefits

- Competitive hourly compensation
- Flexible schedule to allow for classes and school breaks
- Partial paid holidays
- Discretionary bonus(es)
- Take part in company events and outings

AEG values team members from diverse backgrounds. We strive to provide an environment where everyone thrives and where the views and beliefs of all team members are respected.

At AEG, we are planning communities and designing the systems that serve them. Join us!

Applicants must be legally authorized to work in the U.S. without employer sponsorship.
